Help Haiti

HAITIAN-AMERICAN COALITION FOR COMMUNITY EMPOWERMENT, Inc. is a newly formed 501(c)(3) organization. It is building a stronger community in Lee Co. and Ganthier, Haiti. Donations are used solely to support children and women who are living in poverty, who are in serious need of assistance: financially, socially, and emotionally. Our most urgent goal is building and equipping a school.

Advocate Now

Looking for strategies to help your organization achieve greater impact? Need to learn which public policies will impact your organization in the next year? Independent Sector, PPAI, Public Policy Action Institute, is a one-stop shop for experts and novices. It will be hosted in Florida for the first time, on October 26-27 at the Intercontinental Hotel Miami. The action institute is about gaining information, skills and networks. All necessary to take your public policy, advocacy, government partnerships and organizational impact to the next level. To make it easy, the nonprofit leaders, advocates, communications professionals and program specialist from around the US convene at this single event in Miami. Join the Florida Nonprofits and come to this event as we learn to represent our mission with more impact!.
